Title: Need to set up a Central Post Harvest Engineering and Technology Institute in Thanjavur Parliamentary Constituency.

SHRI K. PARASURAMAN (THANJAVUR): Hon. Deputy Speaker, Sir, under the able guidance of our hon. Chief Minister of Tamil Nadu, *Puratchi Thalaivi Amma*, I would like to bring to your notice that presently there is only one Central Post Harvesting Engineering and Technology Institute in the country, which is located in Punjab. So, I hereby urge upon the Government to set up a Central Post Harvest Engineering and Technology Institute in my constituency, Thanjavur.

Thanjavur and other surrounding districts are mainly cultivating paddy abundantly along with other crops, pulses, plantain, vegetables, sugarcane, tapioca, greens, horticulture, floriculture and other tropical crops.

HON. DEPUTY SPEAKER: Please do not go on speaking.

You want an institute to be set up in Thanjavur and that is all.
